TEACHING METHODOLOGY FOR P-01 TO 9-03 TOPICS

P-01 TOPICS:

These topics have been allocated the maximum number of periods. The trainer must, therefore, include the following during the class on P-01 topics.

1. Detailed lesson plan before beginning the topic with clear objective of the teaching and time allocation of the following points during the class.
2. Introduction / background / history of the topic.
3. Case study on the topic.
4. As many examples as the time permits.
5. Film / Clips if available on the topic.
6. Joint lecture along with guest speaker / practicing professionals of the field.
7. Demonstration / practical if applicable / possible.

P-02 AND P-03 TOPICS

These topics should be covered by using as many of the above methods as possible. However, due to lesser periods allocated to cover P-02 and P-03 topics, at least, the basic information on the content should be given to the learner.
